I LOVE THE LORD, BECAUSE HE HAS HEARD MY VOICE AND MY SUPPLICATIONS

PSALM 116:1

Dear MCS Family,

Our staff devotions "verse for the week" has been the verse at the header of this letter Psalm 116:1. We can testify to this truth; each week we pray together for the school and for our needs and time after time the Lord clearly answers our prayer requests. It is amazing to watch the Lord at work protecting, providing for and sustaining us and we thank him and praise his name.

MCS I am so proud of you! We came 2nd in all of Egypt in the Middle East Mathletics competition! Well done all you students who worked so hard at your maths games; and well done and thank you to Miss Greer who championed this excellent competition. It is possible to privately purchase Mathletics on line so you child can continue with these skills at home. These maths games are proven to work in conjunction with maths curriculum at all grade levels to improve general maths skills. If you would like to do this then you can find out the information at www.mathletics.com

In an effort to improve the marketing of MCS we now have a business profile Facebook page; this is a secure page that will help keep the school community connected and can be shared with families who may want to send their children to the school. Please go to our homepage www.mcedcation.org and "like" this page and share it with anyone you know that may be interested in sending their children here.

This time of year is very stressful for the staff as there is such an intensity of work to be completed. Please pray for us, specifically for:

Secondary Exams

Report writing

Preparation for The Celebration of Success

End of year administrative jobs

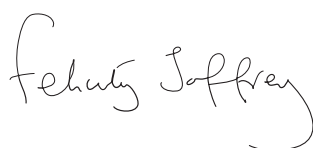

Preparation for next year

Coping in the heat

Continue to keep the Hime family in prayer on their sabbatical in England.

Thank you!

God bless you,

Felicity Jaffrey
